Plain Room to Suite Sizing

Your exact measurements for high-end hotel bedroom proportions

Transform your plain bedroom into a high-end sanctuary with these exact proportions. Use this guide to confidently size your bedding, rugs, and lighting.

Signature Suite Proportions

60 cm
overhang past bed sides and foot

8x10 ft
rug size for a standard queen

5 cm
larger than covers for pillow inserts

2700K
LED bulb warmth on dimmers

2 inches
ceiling clearance for rod and rings

The Boutique Karate Chop

Karate-chop the top center edge of your oversized pillow inserts to settle the fill evenly and create a tailored, structured crease.

Duvet & Drape Sizing

Find your row: **Your mattress size**

Your mattress size	Your pick	Why
Twin	Full duvet	15 inch side overhang
Full	Queen duvet	17 inch side overhang
Queen	King duvet	18 inch side overhang
King	Super King duvet	16 inch side overhang

Suite Installation Checks

- [ ] Measure floor to ceiling line to mount a slim brass rod.
- [ ] Locate wall studs just below the top plate for sturdy brackets.
- [ ] Check that sheer linen panels will perfectly kiss the floor.
- [ ] Measure floor to fluffed mattress for roughly level nightstand scale.
- [ ] Verify bedside lamps have unbleached linen shades for a soft glow.

Shopping & Styling Notes
