Zoning Map By Product

Find your row: **Your daily product**

Your daily product	Your pick	Why
Small serum droppers	Top shelf riser	Maximizes vertical cabinet space
Morning vitamin C	Middle shelf left	Prevents sleepy morning mix-ups
Evening retinol creams	Middle shelf right	Separates nighttime recovery items
Bulky body creams	Sturdy bottom shelf	Lowers the center of gravity
Heavy metal clippers	Inside door magnet	Keeps sharp items instantly accessible
Tall pump moisturizers	Acrylic door compartments	Keeps bulky necessities perfectly upright

Container Sourcing List

- [ ] Amber glass decanting bottles for light-sensitive formulas
- [ ] Wide-mouth amber jars for heavy creams and swabs
- [ ] Clear acrylic stepped risers for the top shelf
- [ ] Adhesive neodymium magnetic strips for grooming tools
