Teak stool oiling interval

Elevate With Amber Glass

Decanting mismatched drugstore lotions into uniform amber glass bottles on a designated tray instantly elevates visual calm and eliminates chaotic label clutter across your vanity.

Pre-Shopping Checks

- ○ Hold pure white printer paper against vanity doors to reveal undertones.
- ○ Check the metallic finish of your fixtures to match soap pumps.
- ○ Locate the brightest sconce beam part to align with your face.

Weekend Refresh Shopping List

- ☐ Warm-spectrum light bulbs
- ☐ Charcoal grout pen and baking soda
- ☐ Fresh eucalyptus bundle and a hair tie
- ☐ Water-resistant teak stool and teak oil
- ☐ Amber glass pump bottles and a small tray
- ☐ Plush greige bathroom towels

Towel Undertone Match

Find your row: **Vanity & Tile Tone**

Vanity & Tile Tone	Your pick	Why
Cool blue-gray & stark white	Warm Greige	Adds necessary organic warmth
Green-gray & off-white	Soft Charcoal	Grounds the foundational colors
True neutral & bright white	Mushroom	Complements without clashing

The Saturday-to-Sunday Sequence

1. **Saturday Morning** Swap bulbs, assess undertones, and aggressively scrub the grout lines with baking soda paste.
2. **Saturday Afternoon** Apply the charcoal grout pen and let it cure undisturbed before running the shower.
3. **Sunday Morning** Hang eucalyptus with a hair tie and place the water-resistant teak stool by the tub.
4. **Sunday Afternoon** Style the vanity tray and fold towels into neat lengthwise thirds over the bar.

Project Notes

Enjoy your beautifully balanced, spa-like sanctuary every single morning!
